

# Clarkson Student Groups Replace Outgoing Seniors

WNTC, campus radio station which is a joint undertaking of Clarkson and Potsdam State Teachers College students, has a new executive board. The members of the board were elected several weeks ago but recently have assumed their duties. The new board worked with older members of the station staff in order to take over without technical or administrative difficulties.

The WNTC board consists of: station manager, Dick Meyer of Syracuse, PSTC; assistant station manager, Charles J. Kurner of Farmingdale, Clarkson; programming chairman, James B. Carr of W. Englewood, N. J., Clarkson; business chairman, Robert B. MacKenzie of New Russia, Clarkson; secretary, Miss Elaine Luikert of Tuckahoe, PSTC; engineering manager, Wilson M. Griffing of Anagansette, Clarkson; personnel manager, Vaughn Weidel of New York City, Clarkson; and publicity chairman, Charles Hearl of Bay Shore, Clarkson.
